

Independent Auditors' Report

**To the Members of
Prime Focus MEAD FZ LLC**

Report on the Financial Statements

We have audited the accompanying financial statements of **Prime Focus MEAD FZ LLC** ('the Company') which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prime Focus MEAD FZ LLC

Notes to Standalone Financial Statements

1. Corporate information

Prime Focus MEAD FZ LLC ('PF MEAD' and 'the Company') and all its subsidiaries (collectively referred to as 'Group') are engaged in the business of providing digital technological solutions to the sports, film, broadcast, advertising and media industries.

The Company has filed for dormancy on 19th April 2020. Since the dormancy filing there has been no business transactions in the company during the year. The Dormancy will run for a period of 2 years and on 10th April 2022 Prime Focus MEAD FZ LLC status will be inactive. It will take further 90 days for the authorities to confirm the inactive status of the entity.

2. Statement of significant accounting policies:

a. Basis of preparation

The Standalone financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 211 (3C) of the Companies Act, 1956 ('the 1956 Act') (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 ('the 2013 Act') in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and the relevant provisions of the 1956 Act/ 2013 Act, as applicable. The Standalone financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies have been consistently applied by the Group are consistent with those of the previous year.

b. Principles of consolidation

The Standalone financial statements include the financial statements of the Company and all its subsidiaries (collectively referred to as 'the Group'), which are more than 50% owned or controlled and have been prepared in accordance with the principles of consolidation laid down in Accounting Standard 21- 'Standalone Financial Statements' notified under section 211 (3C) of the Companies Act, 1956.

The Standalone financial statements have been prepared on the following basis:

i. The financial statements of the Company and its subsidiary have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and intra-group transactions.

ii. The Assets and Liabilities of subsidiaries are translated into British Pound at the rate of exchange prevailing as of the Balance sheet date. Revenue and Expenses are translated into British Pound at an average closing rate. Any exchange difference arising on consolidation is recognized in the net Foreign Exchange gain or loss in P&L account.

iii. The difference between the costs of investment in subsidiaries over the net asset at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

iv. The Standalone financial statements are prepared using uniform accounting policies to the extent practicable across the Group. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by Company, except in case of the accounting policies for depreciation and amortization.

v. Details of subsidiaries included in the Standalone financials:

c. Use of Estimates

The preparation of Standalone financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Accounting estimates change from period to period. Actual result could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

d. Tangible fixed assets

Fixed assets are carried at cost of acquisition or construction. They are stated at historical cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition or its intended use. Borrowing costs relating to acquisition, construction of qualifying assets which takes period more than 8 to 10 months of time to get ready for its intended use are capitalized as part of the cost of such assets.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standards of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from DE recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

e. Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

Research cost are expensed as incurred. Development cost are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has intention and ability to complete the project, use or sell the asset and cost of the asset can be measured reliably.

f. Depreciation of fixed assets

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 (also refer note 11 and 12). Assets acquired under finance lease are depreciated over the period of lease. Goodwill on acquisition is not amortized but is tested for impairment on Annual Basis.

Prime Focus MEAD FZ LLC

Notes to Standalone Financial Statements

g. Impairment of assets

The carrying values of assets are reviewed at each Balance Sheet date for impairment. If any indicators of impairment exist, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

h. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

i. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from technical services are recognized on the basis of services rendered and when no significant uncertainty exists as to its determination or realization. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividends are recognized when the shareholders' right to receive payment is established by the Balance Sheet date.

j. Foreign Currency Transactions

Initial Recognition

Foreign Currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

At the year end, foreign currency monetary items are reported using the closing exchange rate.

Exchange Differences

Exchange difference are recognized as income or expenses in the year in which they arise except in the case of exchange differences arising on long term monetary items related to acquisition of fixed assets which are capitalized and depreciated over the remaining useful life of assets.

k. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
